First Baptist Church of Glenarden International 2022 Financial Assistance Application

The following is an explanation of the four evaluation categories

1. Financial Need

The financial need scoring will be based upon the Expected Family Contribution (EFC) information found on the Student Aid Report (SAR) that was issued after you completed the Free Application for Federal Student Aid (FAFSA) form. If you have completed your FAFSA, the United States Department of Education should have sent you a **Student Aid Report (SAR)** that contains the Expected Family Contribution (EFC) in the upper right corner of the first page. **Please attach a copy of the first page of your 2022 - 2023 SAR to your FBCG Financial Assistance application.** If you need instructions for completing your FAFSA or to obtain a printed copy of your 2022-2023 SAR, please visit <https://studentaid.gov/apply-for-aid/fafsa/review-and-correct/sar-student-aid-report>. Please do not provide any other personal financial documents with this application.

2. Church Ministry Involvement and Christian Outreach Activities – Ministry Involvement

Ministry Involvement will be evaluated based upon your active service to others through a FBCG ministry (high school applicants), campus based ministry (college applicants), or Christian outreach activities (college applicants). Participation in social groups, organizations, or non-Christian based groups that provide service to the community will not be accepted. Active membership indicates participation and volunteerism or service provided to the church community. This also includes any church or college chapel activity by students who may attend school out of the local area. The **ministry head** must verify all information in writing by filling out the ministry verification form. All membership(s)/participation must have occurred during the **current academic year**. You may submit up to two Ministry Involvement Verification forms. The signed Ministry Involvement verification form(s) must be submitted by the application due date for consideration **(See verification forms for completion of this section.)**

Ministry activities in which: you are being served such as receiving tutoring services, being mentored, etc.; your participation is for a single event, or your participation is only during school breaks (i.e., summer, winter, spring) do not meet this requirement. If you are an active member of a ministry where you are serving others throughout the 2021-2022 academic school year, then this service is applicable to meet this requirement. All ministry/service must be verified by the ministry leader/supervisor. You may submit up to two Ministry Involvement Verification forms.

3. Grade Point Average (GPA)

The cumulative GPA provided on the **official transcript** will be used to award points based on the following criteria:

- 4.0 or higher
- 3.5 - 3.99
- 3.0 - 3.49
- 2.5- 2.99

An official transcript that contains the cumulative GPA for courses completed in the fall 2021 (college applicants) and as of the end of the second grading period (high school applicants) must be submitted with application by April 25, 2022. Note - The final transcript for courses completed in spring 2022 (college applicants) and as of the end of the fourth grading period (high school applicants) must be submitted by June 20, 2022.
